## Spiritual Growth and Maturity (SG&M):

### Greetings!

I greet you all in the Name of our precious Lord Jesus!

Dear friends, lets not forget the real reason for celebrating during this season – The Birth of our Wonderful Counselor and Savior.

I wish you a Blessed Christmas and a Happy New Year in Jesus Christ!

### Points of Prayer:

- Pray that Jesus would open more doors for SG&M.
- Pray for forming a **TEAM of 1000 PERSONS** to support and promote SG&M.
- Pray for spiritual empowerment for those already involved in SG&M ministry.

This ministry, as its title suggests, is directed towards spiritual growth and maturity of the Body of Believers. For a long time, the Holy Spirit impressed upon my heart to teach this message to the Church.

Finally, in 1999 – 2000 God reminded me about its importance and my purpose in delivering it to the ends of the earth. Since then, I re-structured my priorities, dedicating my time almost entirely to this powerful ministry.

With the Holy Spirit's pressing, I was motivated to start preparing the series in an organized manner. The teaching method used is a combination of power point, diagrams, and practical examples for daily living, making the delivery of the message very effective for those interested in spiritual growth.

The heart of the message is founded on the exchanged life (our co-crucifixion with Christ) as described in Galatians 2:20 and living the abundant life as it is written in

John 10:10.

The series consists of several Bible study sessions organized in four distinctive parts. Vol. I: **Levels of Spiritual Growth and Maturity** (eleven (11) sessions) explaining that growing in Christ is a process that includes several phases. Vol. II: **Gifts of the Spirit** (seven (7) sessions) discussing the Holy Spirit's desire to enrich the spiritual life of the Church with

His gifts. Vol. III: **The Fruit of the Spirit** (sixteen (16) sessions) describing the Character of the mature believer.

And Vol. IV: **The Spiritual Armor of the Believer** (more than twelve (12) sessions). teaching the Church that we are in a spiritual battle with the Kingdom of

Darkness and we must be prepared to conquer it

We hope to have Vol. IV completed and ready for Romanian listeners in CD format early in 2006. Please check with us soon for the updates.

### Counseling and Women Fellowship:

My wife, Elena, continues with her counseling and women fellowship ministry that she started in 1997. Even though many times she feels exhausted, the Holy Spirit energizes her and gives her strength to be a blessing for the women who attend these type of meetings.

**TESTIMONY:** "Sister Elena, I am the person who contacted you two years ago regarding the desperate situation in my family. I want to thank you for your counseling. I took your advice and applied it to my life. Now, I am happy to inform you that God saved my marriage." (Anonymous)

### RADIO MINISTRY:

Since 2003 God has helped us to establish ministry protocols with Radio Voice of the Gospel (RVE) and Trans World Radio (TWR) from Bucharest. In 2005 we formed a working relationship with the newly opened radio station SOS from Ploiesti.

We already aired SG&M Vol I, II and III all over Romania and a few adjacent countries.

We have plans to continue the Radio Ministry in the years to come.

Please pray that SM&G message will continue to impact many believers.
